MEMORANDUM FOR: Chief, New Building Program Office, OL

FROM: Chief, Domestic Networks Division, OC

SUBJECT: New Building Baseline Configuration

25X1

1. The following information on a baseline configuration for the Domestic Network Division, Office of Communications is furnished for your information as agreed in the meeting with members of the New Building Program Office on 20 December 1983. In addition, it is DND's understanding the initial requirement for 94.6K square feet has been refined to 89K square feet as explained in the meeting based on revised staffing calculations. DND is aware of the urgency in identifying and addressing new building issues and looks forward to close cooperation with the NBPO.

2. The DND baseline requirement for approximately 69K square feet in the computer areas on levels 1 and 2 is firm as revised and will be sufficient for DND requirements in addition to meeting future needs. Administrative offices of approximately 20K square feet adjacent to levels 1 and 2 in the south tower at this point appear necessary. As agreed, this information will be furnished at some later date coordinated with OC/EXA,

25X1

3. Also for your information: Attachment A, the current DND organization chart; Attachment B, DND's revised bubble diagram; Attachment C, the DND revised block diagram; and Attachment D, DND's optional baseline configuration of space in the computer areas requested.
